

INSIDE THE CAN

PPG Research and Technology brought together expertise and technology from our automotive and industrial coatings divisions to deliver a super-premium interior paint with exceptional resistance to stains and unsightly marks from cleaning and abrasions.

PPG INTRODUCES CLEAN-SURFACE TECHNOLOGY™

POWERED BY
CLEAN-SURFACE
TECHNOLOGY™

AUTOMOTIVE COATINGS TECHNOLOGY

- Tough
- Scratch Resistant
- Hard

INDUSTRIAL COATINGS TECHNOLOGY

- Extreme Surface Durability
- Soft to the Touch
- Stain Resistant

- Engineered for Unmatched Washability
- Longest Lasting Freshly-Painted Look*
- Repels the Most Difficult Stains
- Highly Resistant to Scuffs and Abrasions

*Longest-lasting freshly-painted look is based on the combination of resistance to stains, gloss change and marring.

PPG *UltraLast* sets a new standard for washability in a super-premium interior paint with this proprietary stain resistance technology. *Clean-Surface Technology* exemplifies the technology depth and expertise that drives the PPG paint brand.
