

PPG ULTRALAST™ FOR THE HOME

A more washable paint finish helps keep interior walls looking clean and fresh despite everyday spills, stains and scuffs. Engineered to deliver exceptional resistance to stains and unsightly marks from cleaning and abrasions, *PPG UltraLast* delivers an easy clean that will maintain a freshly painted look on your interior walls. Proprietary *CLEAN-SURFACE TECHNOLOGY™* is a powerful integration of automotive and industrial coatings technology that makes stains like wine, greasy hand grime and scuffs easy to remove from any finish and any color. Choose *PPG UltraLast* with confidence for exceptional wall protection and only re-paint when looking for a change of color.

FEATURES & BENEFITS

- Easy stain removal reduces need for abrasive cleaners or sponges
- Exceptionally durable in low-sheen finishes and all colors – no need to compromise
- Unmatched washability for easy upkeep in high-traffic areas
- Premium hide, smooth finish and easy application
- Dried film is resistant to stains and deterioration caused by mildew

THE ULTRALAST ADVANTAGE FOR YOUR HOME:

- Enjoy clean, attractive walls
- Paint bold colors with confidence
- Wash household stains and spills with ease
- Repaint to change color, not to cover stains
